

The background features abstract, overlapping geometric shapes in various shades of green, ranging from light lime to dark forest green. These shapes are primarily located on the left and right sides of the frame, creating a modern, dynamic feel. The central area is white, providing a clean backdrop for the text.

WE REVIVE YOUR COLORS IN A WEEK.

LETTER FROM THE PRESIDENT

We, **SM GLOBAL, S.A.**, are a Korean Garment Dye House located in Guatemala, and we are currently in our 7th year of business.

It is a company that is faithful to customer needs with prompt delivery and thorough quality management, and at the same time, it is a beautiful company that aims for the environment and human rights as the top priority.

Our company is currently located on a newly built 10,000m² site in the city of Villanueva, near Guatemala city.

In addition, we have introduced and are installing a new wastewater treatment system in our new plant.

This is our clear will to walk the path of an environmental leading company that prioritizes the health of our planet and all the people of the earth by implementing the highest quality wastewater treatment.

Thank you for your encouragement and support.

And we would like to engage in our long service experience in dyeing industry and direct production of our own products, and we would like to communicate with clients directly and actively reflect the quality and delivery times.

We have confidence that we will supply garment dyeing service for your business in Guatemala, at a better cost and in a timely manner.

We will do our best without losing the attitude of always researching and the humility of listening to the voices of customers.
